#### **Investment Manager**

SQN Capital Management ("SQN") is a SEC registered investment advisor providing global alternative asset management services to a diverse array of clients including institutional and retail investors, insurance companies, hedge funds, private wealth managers, family offices, and funds of funds. **SQN Asset Finance Income Fund** is the only diversified equipment leasing and asset finance investment company traded on the London Stock Exchange. The Fund's objective is to generate regular income for investors through collateralised investments in business-essential equipment and hard assets and in asset-and-equipment-based project financings.

#### Key attributes of the Fund's Investment Strategy

- Direct ownership or security in business essential assets
- · Income producing with predictable regular cash flow
- Non-correlated with equity markets
- Non-cyclical
- Focus on capital preservation

#### **Equipment Lease and Asset Finance Investing Overview**

- The Fund finances (leases/loans) assets to a range of corporate counterparties in exchange for payments over the term
- Each payment reflects income and partial capital repayment
- The income provides regular cash flows to cover operating expenses and pay dividends with the capital repayments reinvested
- Under certain leases, the Fund retains the residual value at the end of the lease term
- Residual value is realised through: (i) lease extension; (ii) sales to end user; or (iii) sale in secondary market

#### **Target Assets**

#### **Avoided Assets**

- ✓ Business essential assets
- Revenue producing/cost saving
- ✓ High in-place value
- Relatively long economic life
- Active secondary markets
- Multiple industry applications
- Multiple levels of security

## Low margin/high volume

- Limited secondary markets
- ➤ Tied to cyclical markets
- Subject to obsolescence
- Highly regulated assets
- Tax-driven leases
